

It appears that the raw transcript text was not included in your message after the **RAW TRANSCRIPT TO FORMAT:** header.

To provide you with a polished, print-ready document that adheres to your **Strict Verbatim** policy and formatting requirements, please paste the transcript text.

Once provided, I will:

1. **Infer the Main Reference** and Sermon Title from the content.
2. **Format the Metadata Header** (Eric Peterson, May 03, 2026, 16th Avenue Gospel Chapel).
3. **Clean up AI punctuation/casing glitches** while preserving every spoken word.
4. **Remove the opening prayer** and any "uhs" or "ums."
5. **Apply Markdown styling** (Bold for stress, Italics for themes).
6. **Insert Scripture Blockquotes** using the poetic or prose formatting rules specified (if any verses are identified in the text).

Please provide the transcript to begin.
